<p>^aSpecial Note: Noble Formula-Rx with Clobetasol 0.05%, a very potent corticosteroid, is available from a compounding pharmacist by individual prescription included with your order. Much more effective, but with known medical risks requiring physician's supervision. Price is set by the pharmacy and NOT by Ontos, Inc., who supplies only the base product, Noble Formula.</p> <p>^bExpress Service: This is not a special mode of mailing or delivery. Express service orders are given priority over routine, first ordered-first filled service by Ontos, Inc. and at the pharmacy. This is helpful if any item is in short supply.</p> <p>^cTax: Prescription items are non-taxable.</p>
